Alexandria, VA 22313-1450

Sir:

In accordance with 37 C.F.R. §§1.56 and 1.97-1.98, the Applicant herewith transmits the attached Form PTO/SB/08, including copies of the foreign patent documents which were cited in an Official Action received from the Chinese Intellectual Property Office (issue date of March 10, 2006) with respect to related Chinese Patent Application No. 200410082664.3, and which may be deemed material to the examination of the above-identified application. English abstracts are provided as a brief statement of relevance of the foreign patent documents to the above identified application as required under 37 C.F.R. §1.98. An abstract of document no. CN 1247991 A is not available. A copy of the Official Action provided by the Chinese Intellectual Property Office is also enclosed for the Examiner's convenience.

The reference JP 2000-098285 cited in the Official Action received from the Chinese Intellectual Property Office, has been submitted in a previous Information Disclosure Statement on April 20, 2004. Accordingly, a copy of the reference JP 2000-098285 is omitted. A copy of the cited U.S. Patent document is also omitted.

Since the present Supplemental Information Disclosure Statement is being filed prior to issuance of a first office action on the merits, no certification under 37 C.F.R. §1.97(e) or fee under 37 C.F.R. §1.17(p) is believed to be required. However, the Applicant does certify under 37 C.F.R. §1.97(e)(1) that each item of information contained in the Supplemental Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application, the attached Official Action provided by the Chinese Intellectual Property Office, not more than three months prior to the filing of the Supplemental Information Disclosure Statement. However, should any fees be required, the Director is hereby authorized to charge the fees to Deposit Account No. 18-2220.

The Examiner is requested to consider the attached documents in connection with the above-identified application, and to return a copy of the Form PTO/SB/08 to the Applicant with the Examiner's initials in the spaces provided.

Submission of this Supplemental Information Disclosure Statement does not constitute an admission by the Applicant as to the materiality of the attached documents to the application, nor does the Applicant waive any right to challenge the validity of the documents as prior art should such action be deemed appropriate.

Respectfully submitted,
